

18th Conference of Czech and Slovak Physicists

Palacký University Olomouc, Czech Republic
September 16–19, 2014

The purpose of this conference is to bring together people working in various fields of physics to share and exchange experience, to inform the physics community about the latest developments through invited lectures and to provide young physicists with the opportunity to present their work at an international conference.

The conference is organized by the Czech Physical Society and the Slovak Physical Society with participation of Hungarian and Polish Physical Societies.

Invited speakers:

Szabolcs Csonka (*Budapest Univ. of Technology and Economics*)

John M. Dudley (*President of the European Physical Society*)

Zsolt Fülöp (*Inst. of Nuclear Research of HAS, Debrecen*)

Richard Hlubina (*Comenius University, Bratislava*)

Karol Hricovini (*Université de Cergy-Pontoise*)

Sándor Katz (*Eötvös Loránd University, Budapest*)

Peter Kopčanský (*Inst. of Experimental Physics SAS, Košice*)

Rupert Leitner (*Charles University, Prague*)

Jiří J. Mareš (*Inst. of Physics ASCR, Prague*)

Jan Soubusta (*Palacký Univ., Olomouc & Inst. of Physics ASCR, Prague*)

Józef Spałek (*Jagiellonian University, Krakow*)

Radek Zbořil (*Palacký University, Olomouc*)

Come and share your experience
with the physics community!
